

XTRAICE RINKS SIZES & PRICES

ABOUT US

Xtraice was founded in 2003 with the purpose of creating the best ecological ice in the world. Currently, we have installed rinks in more than 90 countries thanks to an innovative technology that has established us as market leaders. Over 60 professional experts in all areas willing to make any project you can imagine a reality, offering 360 ° service with 100% customized projects.

With the acquisition of your Xtraice rink, you'll have a unique attraction that will bring people in. Our rinks are self-lubricated and do not require any maintenance or supply expense.
